Economic Development Calendar

NEW MEMBERSHIP CAMPAIGN

During the month of September, TIDC will be making an all-out effort to invite all economic development professionals across the state to be a part of the organization.

“We want to give everyone who is eligible the opportunity to benefit from TIDC membership” says Doug Lawyer, TIDC Vice President. “The educational and networking opportunities are extremely valuable to people in our profession.”

As an incentive to join during the membership campaign, new members who sign up during September will receive 15 months of membership for the price of 12. Membership will run from September 2006 through December 2007.

New members will receive special recognition at the TIDC fall conference. Each new member will have the opportunity to introduce themselves and give a brief overview of their business or organization.
